

Second Grade

Dear Parents,

Welcome to the 2nd Grade classroom. My name is Mrs. Emily DaSilva and I will be your child's teacher this year,

This is an exciting time for our class. We will be preparing for our first Penance and our First Communion. We are becoming one step closer to God and being one of His prophets.

At the beginning of the year we are printing our names but before long we will be signing our names. Our math skills and reading skills will be more developed.

Keep an eye on our class, for there is plenty of learning, fun, and growing happenings in this classroom.

Mrs. DaSilva
