

# The Good News from Sacred Heart School

December 2018

## Student Council Launches Environmental Initiative

The SHS Student Council is off and running with a new environmental program for the school: recycling. Thanks to the student group's concern for the environment, they researched and arranged for recycling to become a new reality at SHS. Recycling bins will be provided to the school free of charge. Council members will empty classroom bins into the recycling bins which will be collected every Tuesday.

Flyers will be distributed to students to inform them how the new system will work, and posters will be displayed throughout the school. Students will also attend a presentation that provides details of recycling and how it is beneficial to the environment.

## Christmas Activities Galore for SHS Students

Our award-winning band will have the honor of playing at the State House on December 12. That performance will be followed by another at Jeanne Jugan Residence.

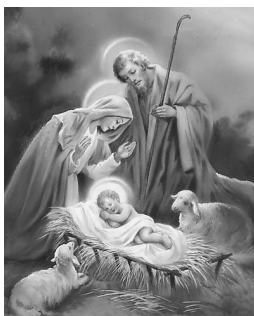

Seventh & Eighth graders will be treated to a production of "The Hunchback of Notre Dame" at Bishop Hendricken, and students in grades 6-8 will be visiting the RISD museum of art.

On December 14 students in grades 5 and 6 will see a production of "A Christmas Carol" at the Stadium Theater in Woonsocket.

Christmas lunch will be served on December 19.

On December 18 a Christmas Concert will be held.

A Christmas Mass will be held along with the first grade pageant on December 21, the last day of school before Christmas vacation.

*The entire staff of Sacred Heart School wishes you and all your loved ones a Blessed Christmas and a New Year of peace and the Lord's grace.*
