

Sacred Heart School September Newsletter

WELCOME!!!

As Sacred Heart's new principal, I am eager to meet all returning and new students for an exciting 2018-19 school year!

Your teachers and I have already been working to make this a stimulating and productive academic and spiritual experience for each student. I'm confident that you will be in a friendly and enjoyable environment as you learn more information and skills while developing a deeper Catholic faith.

With blessings and best wishes to all Sacred Heart families,

Mr. Maurice Guernon
